

WELCOMES YOU!!!

Thank you for choosing our office to serve your dental needs. We feel the best thing about our style of dentistry is our commitment to quality. Our attention to detail and fine materials are second nature to us.

Our office is happy to work with most dental insurance companies. Policies vary, but we will try to help you get the most benefit out of your insurance plan. We will verify your coverage and, if the insurance company is willing, we will obtain a general breakdown of the approximate benefit coverage so you will have an idea of your portion due at each visit. Please be aware this is only an estimate. Occasionally, an insurance company will deny coverage after we have rendered services. In this case, we ask our patients to acknowledge their personal responsibility for the cost of any services not covered by their insurance.

We file primary and secondary insurance claims for our patients as a courtesy. We are a participating provider with Delta Dental Premier. We recommend that you check with your insurance carrier to confirm your benefits prior to your first visit.

We do ask that you give our office a 24 hour notice if you are unable to keep your appointment with our office to avoid a broken appointment fee.

For your convenience we gladly accept Cash, Check, MasterCard, Visa and Care Credit.

We are committed to the highest standard of dental care for our patients and are happy you have chosen us to provide that care for you. We are looking forward to meeting you and your family.
